COMP1205 Week 7
Professional Development
Legal, professional and ethical perspectives
Introduction and overview
Dr Su White

Overview: timescales and topics

Overview of entire module by multiple choice exam

Rationale of the structure
Guidance and prompting
Plus… directing you to a realistic/sustainable approach
This is not the same as coding, maths or other ‘hard’ subject areas
But it is very relevant to your degree…
…and the approach is relevant to future study and work

Work smarter not harder

High Level Objectives
Why we are here

Objective:
Knowledge, skills and understanding

Formal/timetabled
- Lecture
  - The big picture
  - Pacing
- Blackboard
  - Lavis and references

Informal/un-timetables
- Out of class
  - Take the quizzes
  - Watch videos
  - Read overviews
  - Work through tasks
  - Think and discuss
  - Prepare assessments
  - Prepare for examination

Work smarter not harder

Intellectually
- Understand your motivations

Imaginatively
- Develop and use your creativity and imagination
- Make your tasks enjoyable

Intuitively
- Learn to know what works for you

Approaches
- Pareto principle
  - 20% of the effort produces 80% of the result
  - … but think about it logically, rationally
- One touch
  - Capture all the necessary information in a single touch
Try to balance your workload

Try to balance your workload

One way or another

And remember...

Legal & professional

How you will know, how we will know

Legal & professional

One way or another

Legal & professional

Legal & professional

Legal & professional

One way or another

Legal & professional

Legal & professional

Legal & professional
Reminder: rationale of the structure

Guidance and prompting

Plus... directing you to a realistic/sustainable approach

This is not the same as coding, maths or other ‘hard’ subject areas

But it is very relevant to your degree...

... and the approach is relevant to future study and work

- Find out, think about, re-present
- Work in groups
- Find your strengths
- Overcome your weaknesses
- Enjoy yourselves

Before next week

The quizzes are designed to help you understand the breadth of the topics we are going to study in a quick and easy way

Your responses will be anonymous

But I can send you reminders...

If you have not completed the task

Quiz

- You will be invited to respond to a short survey/quiz (midweek)
- Designed to find out what
  - Your familiarity with topics we are going to study
  - Your familiarity with the topics within the exam
  - The way which you are relating COMP1205 to the rest of your studies

Quiz notes

- Your responses will be anonymous
- But I can send you reminders
- If you have not completed the task

Before next week

The questions are designed to help you understand the breadth of the topics we are going to study in a quick and easy way

Ethics and Professionalism are threads which run throughout the module

Overview of entire module by multiple choice exam

- Legal and workplace 1
- Legal and workplace 2
