

How to: prepare and present a poster

- The University of Southampton print centre will print your poster, give them adequate notice!
<http://www.southampton.ac.uk/printcentre/exhibition/academicposters.page>
There is a general study guide on presentations from the library which has links to information on poster preparation
<http://library.soton.ac.uk/sash/present>
- Material used on the pre-session course is of wider interest and applicability
http://www.southampton.ac.uk/englishforengineers/understanding_assessed_tasks/presentations/poster_presentations.page
- The American Association of Variable Star Observers
How to Present a Poster Paper
Based on an article by Robert F. Garrison, Judith A. Irwin, and John R. Percy
Journal of the Royal Astronomical Society of Canada, Vol. 79, No. 6, 1985
