General Printing at WSA

This self service printing system allows you to send prints to a generic colour or black and white queue and pick up your prints immediately from any laser printing device on campus.

1. Send your file to Print (Should be PDF)

2. Your Print will wait in the cloud for up to 4 hours. Print now or later its up to you.

3. Find any laser printer or Multi Functional device (MFD) at WSA

4. Release your print. Either via the MFD touch screen or a Print release computer – Job Done
