

## Digital Divide Song

Digital divide,  
Don't run and hide,  
We're here to teach and we are on your si-i-ide

It's affected by age,  
And people's wage,  
It does not have to cause you any r-a-a-age...

Everyone here can be taught this topic,  
You'll be surprised, it can be eeeasy....

Pupils, there's lots of statistics that you can learn,  
We have some questions, and you will all get a turn  
But when answer the test  
Just try and do your best  
So here we go-o-o  
Now we'll find out what you know...
