reflection...

- As ever, security and privacy (3) is oversubscribed
- But, there is quite a lot of choice within that topic
- So, it might be that there is not much overlap...
- 5,6,7 & 8 are not so popular
- So if you find you reconsider then I encourage you to move to any of 5,6,7 or 8
- And request that you don’t ever swap to 3!
