iSolutions TIDT

#sussed_changes

Patrick

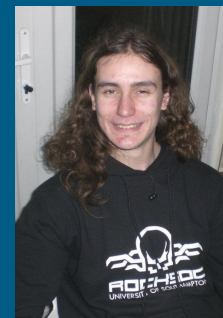

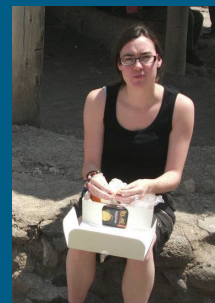

UNIVERSITY OF
Southampton

- ECS Student
- ECS Researcher
- iSolutions

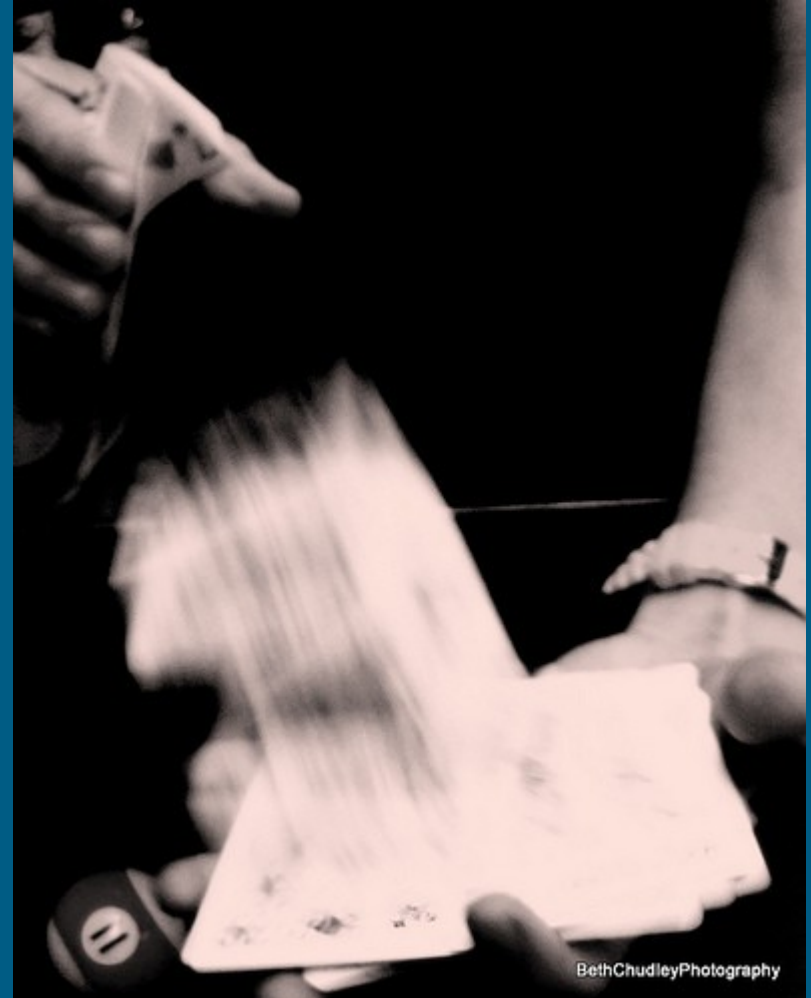

It is socio-technical

UNIVERSITY OF
Southampton

How we got there...

- We lost it when we were reshuffling
- No body wanted it
- There's project to replace it...

Students complained UNIVERSITY OF Southampton

- I was part of the SLE project
- Use Sharepoint to replace SUSSED
- I talked to a lot of people

Enter the 9Granders UNIVERSITY OF Southampton

- I moved to iSolutions...
- Management agreed SUSSED needed a clean up
- I was someone who had the time and skills

So here we are...

Where are we going? UNIVERSITY OF Southampton

- So far change has been slow
- Too slow
- Now we need to correct that

More Audiences

Copyright Sony Entertainment

- There should be a tab for:
Academics,
Professional services
Senior leadership
- You should land on your own tab!
- We could stand to lose a few tabs too

Bells and whistles

UNIVERSITY OF
Southampton

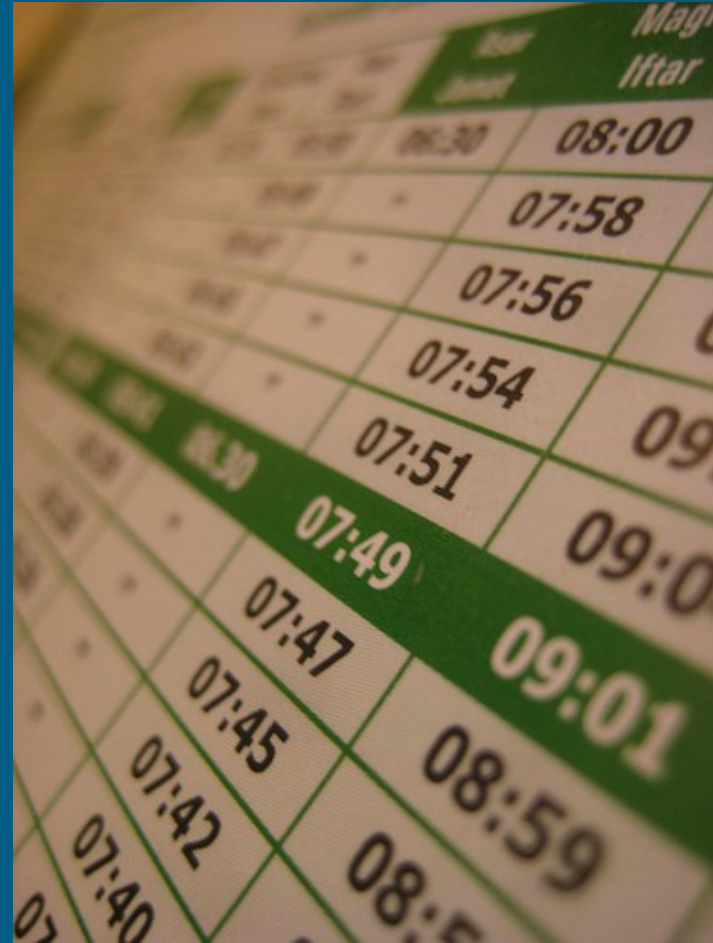

- We need a basic level of service
- Then we can do cool stuff

AttributionNoncommercial Some rights reserved by p2-r2

Timetables

- Could be through outlook?
- Could have ICS
- Could show on map

The image shows a close-up of a printed timetable. The header is green with white text, including the words 'Mag' and 'Iftar'. The main body of the table consists of diagonal rows of times, such as 08:00, 07:58, 07:56, 07:54, 07:51, 07:49, 07:47, 07:45, 07:42, 07:40, 09:01, 08:59, and 08:57. The text is slightly blurred, suggesting a shallow depth of field.

More new branding

- We are trying to standardize our apps

The screenshot displays a web application interface with the following components:

- Header:** "App Name" and "app tag line or nothing at all" on the left; "UNIVERSITY OF Southampton" logo on the right; a search bar with a magnifying glass icon.
- Navigation:** A horizontal bar with five tabs labeled "Item 1" through "Item 5". Below this is a secondary bar with five items labeled "Item 1" through "Item 5".
- Left Sidebar:** A vertical menu with a "menu heading" and five items labeled "Item 1" through "Item 5".
- Main Content Area:**
 - Section 1:** "A main page heading" followed by a paragraph of text. Below it is a sub-heading "a sub heading of some kind" and another paragraph.
 - Section 2:** "A main page heading" followed by a paragraph of text. Below it is a sub-heading "a sub heading of some kind" and another paragraph.
- Right Sidebar:** Two "Did you know..." boxes. The first contains the text "that you can have boxes on the right of this design?". The second contains "that some of them have h3 headings on the top."

Personalization

AttributionNoncommercialShare Alike Some rights reserved by lyzadanger

- The site shapes to fit you
- We do some of this already
- It would be nice if it was more sophisticated

Customization

AttributionNoncommercialNo Derivative Works Some rights reserved by nsfmc

- This a feature sussed has already
- It needs some work
- May add a lot of value

Better intergrated

UNIVERSITY OF
Southampton

Have your say

- Do you like the new look?
- What would you change?
- What is missing?
- What things would you like to see in the future?
- What things can we make better use of?
