

## Task – Supporting and Governing Web-Based Work

Please provide a 2-page briefing document for New Forest District Council (NFDC) to explain ways in which they could consider supporting and governing the nascent digital economy of the rural area in between Southampton and Bournemouth.

**NB** You can see an example of the Enterprise M3 LEP (one of the Local Enterprise Partnerships that covers the New Forest; Google “What is a LEP” for more info) working with the NFDC to try to stimulate Digital Economy jobs at <https://enterprisem3.org.uk/news/investing-digital-and-business-growth>.
